Dear Sirs:

I would appreciate your sending me information concerning the Sonoma Wine Festival held each year. I would like to know what date it will be held this year and the customary schedule of events (if available - a calendar of scheduled events from last year's festival would suffice). In any event, would like to know the scheduled date as soon as possible.

Sincerely

Joan P. Denny

Dear Mrs. Denny,

Our Vintage Festival will be on September 28 and 29 this year.

One of last year's programs is enclosed. It will give you a good idea of the fun and games. There will be some changes, but the general idea will be much the same.

Thanks for your interest in our Festival.

Sincerely,

Geo. H. Denny
